

ALAGAPPA UNIVERSITY

(A State University Accredited with 'A+' Grade by NAAC with 3.64 CGPA in the Third Cycle and Graded as Category-I University by MHRD- UGC)

DEPARTMENT OF ENERGY SCIENCE

EVENTS ORGANIZED

National Energy Conservation Day-2023

National Energy Conservation Day-2022

One Day Indo- Japan Seminar on Renewable Energy: Opportunities and Challenges

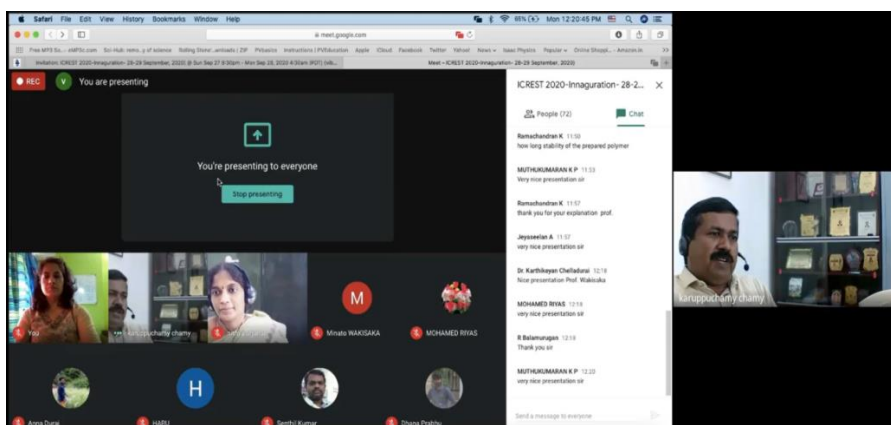

Workshop on Development of Low Cost Solar cells for Rural and Tribal Applications held on March 15, 2022.

National Seminar on Renewable Energy Science and Technology (NSREST-2022) held on March 22, 2022.

Second International Virtual Conference on Renewable Energy and Technology (ICREST-2020), Sep. 28-29, 2020

National Energy Conservation Day-2019

National Energy Conservation Day-2018

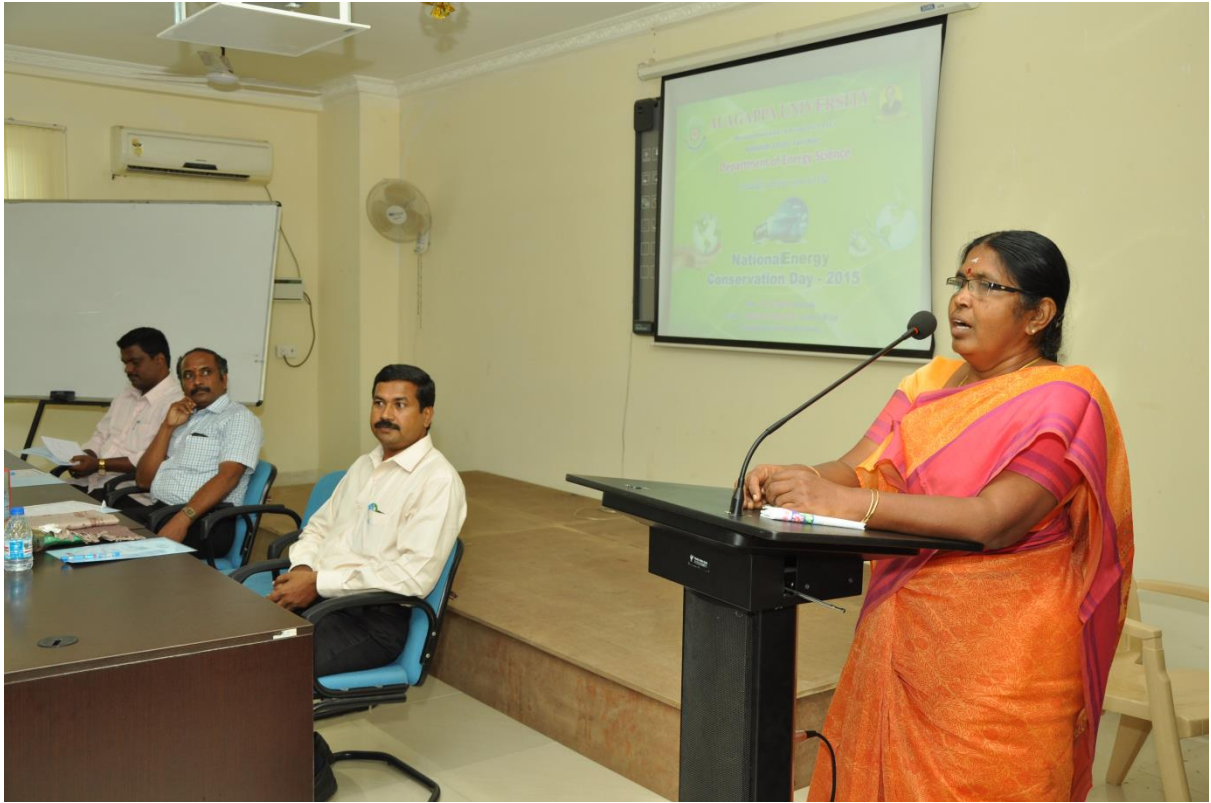

**International Conference on Renewable Energy Science and Technology (ICREST-2017)
held on March 10-11, 2017.**

National Energy Conservation Day-2016

National Energy Conservation Day-2015

National Energy Conservation Day-2014

One day Special Lecture on Energy Storage Materials delivered by Prof. Dr. T. Sadhasivam, Yeungnam University, South Korea on Jul.28, 2023

Special Lecture-Research on Solar Technology in Japan on Sep. 23, 2022

One day Special Lecture on Dye-sensitized solar cells and its future perspectives delivered by Prof. Anders Hagfeldt from Ecole Polytechnique Federal de Lausanne (EPFL), Switzerland at the Department of Energy Science, Alagappa University on Feb. 11-12, 2019.

**Special Lecture on Waste to Energy delivered by Prof. Dr. Alawi Sulaiman, Deputy Dean,
University Teknologi MARA, Malaysia on Dec. 4, 2018**

**One day Special Lecture on Thin Film Technology in Solar Cells delivered by Dr.
Toemsak Srihirin, Mahidol University, Thailand on Jul.06, 2018**

Special Lecture on Development of Electrode Materials for Low-Cost Solar Cells delivered by Prof. Jerzy Radecki, Institute of Animal Reproduction and Food Research of the Polish Academy of Sciences, Olsztyn on July 05, 2018

One day Special Lecture on Bioenergy, focusing on the optimization of the Biogas Process and Environmental Analysis delivered by Prof. Jing Liu from Lund University, Sweden on Mar. 06, 2018.

One day Special Lecture on Hybrid & Organic Photovoltaics delivered by Prof. Henrik Pettersson, CEO, Dyenamo AB, Sweden at the Department of Energy Science, Alagappa University on Jan. 10, 2017

One day Special Lecture on Development of Thin Films for Energy Applications delivered by Prof. Shoji Kaneko, Emeritus Professor, Shizuoka University and President of SPD Laboratories, Japan on Sep. 24, 2014

Extension Activities

Village Extension Programme (2023)-Nemathanpatti Village

Village Extension Programme (2022)-Kandramanickam Village

Village Extension Programme (2019)-Nemathanpatti

Village Extension Programme (2018)-S.R. Pattinam Village

Village Extension Programme (2017)-O.Siruvayal Village

Field Visit – CIPET Madurai

Tree Plantation

Science Day Celebration

Pongal Celebration

Pooja Celebration

Cultural Club
