

5.3.2.a) (QnM) Activities of Students' Council (2022-2023)

PONGAL CELEBRATION 2023

Pongal celebration 2023 was felicitated by the PG Students at the Department of Mathematics in a completely traditional and enthusiastic manner.

NATIONAL SCIENCE DAY 2023

Every year Science Exhibition Program is conducted during National Science Day in the Science Block of Alagappa University. An active presentation and explanation were given to the participants by the PG students of the mathematics department. The objective was not only to inculcate a scientific attitude and research-mindedness but also to enhance student's interest in science and technology. The students showcased static and working models, which could be used for teaching and learning scientific concepts.

FAREWELL CELEBRATION

The farewell function for the outgoing PG students in the academic year 2022-2023 was organized by juniors and successfully completed at the Department of Mathematics. The HoD, faculty members, PG students and research scholars are participated in this happy occasion.

FRESHERS CELEBRATION

Active participation of new academic PG students in the Fresher's Day celebration 2022-2023 was organized by the senior students and conducted with the support of faculty members.

NATIONAL TEACHERS DAY CELEBRATION:

On behalf of National Teacher's Day 2022, research scholars and PG students co-ordinated and celebrated Teachers Day with the Head of the Department and faculty members. The students were wished every teacher on this occasion.

A handwritten signature in black ink, likely belonging to the Professor & Head of the Department of Mathematics.
